

Tiny Pochi is a Vietnamese artist and illustrator. She received her MA in Cultural Intelligence and Innovations and had a career change from graphic design in 2021 when she expanded her artistic practice in illustration, drawing and painting. Her main medium is watercolours as she is fascinated by the fluidity and versatility of the pigments and its kinetic qualities. Through her poetic paintings that focus on light and colour, she displays a delicate and tender look at the beauty of life and nature. Her paintings have been featured in collections in France and abroad. In 2024, her next exhibitions will be the 34rd International Watercolour Exhibition in Uckange and the 28th Watercolour Exhibition in Montgermont, France. She currently lives and works in Paris.
