

Tiny Pochi is a Vietnamese artist and illustrator. She received her MA in Cultural Intelligence and Innovations in 2018 before going to expand her artistic practice in illustration, drawing and painting. A true visual thinker, with a professional background in visual communication, she leads dual practice in both fine art and illustration for children. With a focus on light and colour, her paintings display a poetic and tender look at the beauty of life and nature. Her works have been featured in collections in France and abroad. She currently lives and works in Paris.
